

Chalet Eden

Courchevel 1850, France

What we love...

Decor straight out of an interiors magazine, and a private spa and pool in the basement. What's not to love about Chalet Eden?

The Snow Queen's Palace never looked as good as this. Chalet Eden is a shimmering temple of whiteness in a prime position close to the slopes of Courchevel 1850. Fluffy white rugs, pristine sofas and touches of frosted crystal create the impression of being cocooned in a heavenly white cloud.

Chalet Eden isn't just a pretty face though. This Polar Bear's lair delivers the goods when it comes to five star luxury facilities. When you've finished skiing for the day, you'll be eager to unwind on the lower floor level. "Why is that?" you may ask. Surely the basement is where you dump your skis, next to the muddy snow shovel and the washing machine? No, not at Chalet Eden.

The basement contains a gorgeous pool, massage room and Hammam. It's a place to kick back at your private bar and relax in the serene surroundings. Let the kids hang out in the TV lounge whilst you do some serious chilling, Chalet Eden style.

The best views are hogged by the two master bedrooms taking up

the whole of the top floor. After freshening up in your sumptuous en-suite bathroom, slip downstairs to the delectable living area for pre-dinner drinks on the balcony with views over the Bellecôte Glacier. For the full on five star treatment, we can arrange for a private chef to prepare your mouth-watering dinner whilst you recline in front of the super chic fireplace.

Housekeepers come in every day to keep everything looking perfect, and your breakfast is served every morning. So you don't have to worry about tidying up or buying fresh croissants and milk. The service at Chalet Eden is a bespoke affair, so you can set the tone. Perhaps you have a boisterous family who would appreciate round-the-clock catering, babysitting, and someone to take care of all the tedious details such as ski boot fittings, ski passes and private lessons.

Perhaps you would appreciate indulgent spa treatments and massages. Whatever you need, it can be arranged.
