

## Chalet Aspina Meribel, France

### What we love...

We love this apartment's fabulous Rond Point location, right on the slopes.

Chalet Aspina is a luxury ski chalet apartment in Meribel that is perfectly poised to take advantage of all that this lovely town has to offer – but particularly the skiing, perched as it is, on the slopes.

This two-storey apartment is beautifully decorated in soft, contemporary greys, for a cool, modern look. The 'forest trees' wallpaper used throughout the property brings a quirky, fun feel to the scheme. In the bedrooms faux fur throws and reindeer motif cushions add a bit of Narnia-style

magic and stacks of robes, slippers and luxury bath products means everyone can relax in luxury. For those who take pampering seriously though, you must pay a visit to the exclusive spa shared with the other apartments in the building.

After a tiring day on the slopes, the apartment's comfortable shared living spaces give everyone room to kick back and relax. Curl up on the rug in front of the stunning, contemporary fireplace or take your drinks out onto the terrace with friends for a long, leisurely chat with a positively awe-inspiring view.
