

Chalet Aveline

Courchevel 1650, France

What we love...

We love the private spa – a couple of hours in here and you'll feel completely rejuvenated.

If sleek contemporary style is your thing, you'll love Chalet Aveline.

Ultra-modern interiors, clean lines and plenty of open-plan space make this an ideal property for groups of friends, particularly those with children, offering little ones plenty of space to run round.

Burnt orange accents and the occasional nod to traditional chalet style in the shape of faux fur throws and stripped woods gives this contemporary property a cosy feel.

Aveline is located in a ski-in/ski-out location in the exclusive Belvedere area of Courchevel 1650, making it a really peaceful retreat, perfect for serious skiers and those in search of some serious relaxation, too.

The restful spa with hammam, sunken hot tub, gym and indoor swimming pool is beautifully designed with dark ceilings and tiny LEDs set within it, to give you the feeling of swimming under a night sky.
