

Chalet Baby Bear Chamonix, France

What we love...

We love how this chalet is ultra-romantic and so cosy - you will never want to leave Chalet Baby Bear.

Chalet Baby Bear is a wonderfully cosy chalet, tucked away in a quiet spot but just a few minutes chauffeured drive from the world class skiing of Chamonix.

Chalet Baby Bear has stunning views of the Aiguille du Midi from the wonderful living and dining areas and from the spacious terrace. Whilst this chalet may have just three bedrooms, don't be fooled as the quality of the finish and the standard of the service is second to none.

The property combines a traditional chalet feel with contemporary

elements. Each of the three bedrooms is equipped with a smart TV with access to Netflix, Spotify, as well as luxury finishing touches such as fluffy bathrobes, hairdryers and luxury bath products.

The highly experienced in-resort team will be your personal concierge, to organise all aspects of your stay including ski hire, ski lessons and guiding, ski passes, apres-ski events, in-chalet spa treatments and anything else that springs to mind.
