

Chalet Bartavelles Meribel, France

What we love...

We love being able to ski straight back to the door of this home-from-home in Meribel, with a quick access to the fast chairlift to hit the slopes in the mornings it's brilliantly located.

Chalet Bartavelles is one of the few, much coveted, 'ski-in/ski-out' chalets in Meribel. Occupying an exclusive location next to the Doron piste, this luxury chalet has room for up to ten totally pampered guests. Whether it's friends, family or work colleagues, you won't have to ask them twice.

Say goodbye to worry and stress and let the experienced chalet staff take care of you. Attentive yet discrete, your chef, housekeeper, chauffeur and host don't live on the premises, so you have absolute privacy. Fine cuisine is served in the elegant dining room every day. Enjoy breakfast, afternoon tea and a delicious 4-course evening meal expertly cooked by your chef.

Chill out at the end of the day in the supersize hot tub out on the large and sunny south west terrace. Perhaps a spell in the sauna, followed by a relaxing massage

is what you need to feel totally recharged. You may even find yourself drifting off to sleep. But not to worry – there are no chores to be done, all the arrangements for ski lessons, restaurant lunches and kids' activities can be organised by your concierge service.

And you don't need to queue up for your lift pass as this can be brought to the chalet giving you a personal, bespoke service. Private nannies and childcare can be arranged, and there is plenty to keep the kids happy at Chalet Bartavelles. Just settle the youngsters in the downstairs cinema room or set them up with a board game, then make yourself at home in the welcoming lounge with its log fire and wood panelling. Meribel's shops and bars are just a short stroll from your door, but you really don't need to leave Chalet Bartavelles for anything.
