

## Chalet Chopine Meribel, France

### What we love...

We love the waterproof remote control in the private spa, giving you the power to dim the lights, control the hot tub jets and the temperature at the touch of a button. Just float away at the end of a perfect day at sumptuous Chalet Chopine.

Chalet Chopine takes traditional Alpine charm and gives it a Hollywood makeover. Lavishly fitted out with pale wood panelling, rustic carvings, and swathes of luxurious fabrics, it is both plush and cosy. And best of all, there's a luxury spa in the basement where skiers and non-skiers alike can feel revitalised. If you want extravagant luxury within a short walk of Meribel's lively centre, then this ticks all the boxes.

With five double bedrooms and ample living space, Chalet Chopine makes the perfect base for two sharing families, or one large group of family and friends. Take your pick of the five dreamy bedrooms, the biggest of which are on the top floor, and sink into a world of pampering. Everything is geared to your total relaxation, with a dedicated chef to rustle up your favourite dishes, a chalet manager and host to carry out your requests, and a chauffeur in attendance.

The shops and bars of Meribel are just five minutes' walk away, but it's nice to know that you have a chauffeur if you need it. After all, you may end up with loads of heavy bags to carry, or you may have weary children whose little legs have reached their limit. Easily accessible from the slopes, Chalet Chopine has an enviable position in the enclave of Dou du Pont, just up the hill from the Chaudanne lift. Heated boot warmers in the ski room ensure that heading out to the slopes is a pleasure every morning.

Every meal is a gourmet occasion, like dining at a five star restaurant every night, where delicious dishes are accompanied by carefully selected house wines. After dinner, feeling replete and at one with the world, you can retreat to the TV snug to watch a film, or finish the evening with a soothing massage or a relaxing spell in the steam room.

The service at Chalet Chopine is at the top end of luxury, so you can expect to dine like royalty in the comfort of the charming dining area. Tea or coffee is brought to your room every morning and a chef-cooked breakfast lures you towards the dining table with the aroma of freshly baked bread and sautéed treats.

Evening meals start with drinks and canapés, then proceed to a mouth-watering array of gourmet dishes. Your private chef will be happy to prepare an earlier children's tea so that everyone can dine at a more leisurely pace.

Dinners are paired with carefully selected house wines. To round the evening off, you'll be treated to a selection of local cheeses and port. Should you wish to try something more special, a selection of premium wines are available at additional cost.

The staff have one day off a week at this luxury ski chalet, allowing you to explore the restaurants in nearby Meribel.
