

Chalet Dalmore Chamonix, France

What we love...

We love enjoying a nightcap on the roof terrace with good friends and Mont Blanc for company.

This ultra-modern luxury ski chalet couldn't be further away from the traditional 'antlers and cuckoo clocks' French chalet style. From the laid-back cool of the living and dining space, with its amazing fire, to the pared-back mid-century chic bedrooms, Chalet Dalmore has been designed to capture the imagination of style-conscious Chamonix types.

Chalet Dalmore is ideal for groups of friends or family. The sociable, open-plan spaces mean everyone can relax together. But there are plenty of breakout areas, too. The spa room has dual massage tables so you and your other half can enjoy a peaceful hour or so of rest and relaxation together.

The cinema room makes for the perfect den for kids to escape to – they've also provided a Playstation to help lure them in there!

What's lovely about Chalet Dalmore is that the same care and attention has gone into designing the outside spaces as those inside, which is just as it should be in a location such as this. Why have a view of Mont Blanc if you're not going to make the most of it? The spectacular roof terrace has amazing mountain views, and when you want to wind down at the end of the day, where better to do it than with a quick dip in the hot tub?

There is also a heated outdoor swimming pool at Chalet Dalmore, although please note this is available during summer rental only.

Eating

You will start your luxury ski holiday as you mean to go on with a champagne & canapés reception on arrival.

A delicious breakfast is served each morning to get you ready for a day on the slopes. And, on returning from your day's skiing, a freshly baked afternoon tea will be laid out ready and waiting for you.

A relaxing swim or sauna and a quick change into your glad rags later, and it's time to enjoy a gourmet evening meal, rounded off nicely with carefully selected house wines. The chalet also has an a la carte list of fine wines for guests to choose from should they want something a little different.

You will be contacted prior to arrival to discuss any dietary requirements and preferences which will allow a bespoke menu to be tailored specifically to your party.

Evening meals are served on five nights out of seven. On the chef's nights off, your chalet host can help you choose and book a restaurant, or arrange for a cosy night in with a takeaway.

This luxury ski chalet can also be taken on a self-catered basis.
