

## Chalet Elena Zermatt, Switzerland

### What we love...

We love this chalet's location, it is second to none. You can ski straight out of the door and are also moments from the Gondola.

Chalet Elena is a luxury ski apartment in Zermatt forming part of the larger and well known, Chalet Shalimar.

From the boot-warmers in the basement to the huge windows, framing the Matterhorn, everything in this ski-in/ski-out luxury ski chalet is planned to perfection.

Pared-back contemporary décor and furnishings, paired with traditionally Swiss wood panelling creates a perfect mix of old and new in the living areas. From mod cons like Wifi and TV/DVDs to necessities such as the open fire, it's the little extras that make this apartment feel like home.

The four en-suite bedrooms each have both bath and separate shower

and include luxury bath products and stacks of fluffy towels, bringing a feeling of hotel chic.

But this is just the start of the pampering treats in store in this luxury chalet, which includes a shared spa area with a sauna, Hammam and massage room where you can relax and ease your slope-weary limbs in style or take a dip in the stunning indoor swimming pool to bring you back to your senses before you return to your apartment.

With everything you could want within four walls, the owners have had to ensure they bring the slopes to you just to tempt you out of the building, so you'll be pleased to hear that Chalet Elena is ski-in/ski-out (only in good snow conditions).

Each morning, a hearty continental breakfast is served to prepare you for an energetic day's skiing.

Enjoy pre-dinner Champagne and canapés five evenings, the perfect time to enjoy the open fire and catch up with your friends and family on all the day's action on the slopes.

Dinner is always a four-course treat – unless you would prefer a lighter option - cooked using local ingredients wherever possible, and served alongside wines chosen by a team of sommeliers. Beer, a complimentary drinks tray with two bottles of spirits, and soft drinks are also available.

For little ones, your chef will be happy to prepare an earlier children's tea at a time to suit them.
