The chalet is part of the L'Apogée hotel and has a spectacular location with its own exclusive lift and direct access to the slopes. And the interiors have been designed to live up to this superb setting. The simply stunning living room is a wonderful place to relax in the

evenings, catching up with friends over a drink, brought by your butler of course, in front of the roaring fire. Adjacent to this is a dining room to enjoy a meal prepared by your private chef.

With private access to the piste from your chalet, you can be on the slopes in seconds. When you return in the afternoon, you'll have your own private Jacuzzi and sauna to retreat to.

If that's not enough, it's just a few steps to L'Apogée hotel with extensive private spa facilities including an indoor swimming pool, Hammam, sauna and gym. There's also the bars, shops and restaurants of glamorous Courchevel to take advantage of here. Truly, the best of all worlds – and some of the best skiing in the world to boot.
