

Chalet La Vigne Verbier, Switzerland

What we love...

We love the spa, with windows out onto the snow – the perfect poolside view.

If a room with a view is what you're looking for, you'll love Chalet La Vigne. This luxury ski chalet in Verbier is a real gem. From the terraces and balconies that encircle the chalet, to the outdoor hot tub, to the indoor swimming pool, wherever you are in this property there's a stunning view of the snowy slopes to be enjoyed. Preferably with a glass of bubbly in hand.

The spa itself is beautifully appointed with hammam, gym as well as the pool and hot tub. If you want to escape to another world for a couple of hours, why not take snacks and a bottle of wine down to the private cinema room and chill out in front of a film?

The shared living spaces in this luxury ski chalet are fantastically cosy. Gather with friends in the comfy armchairs and sofas around the wood fire to catch up on the day's skiing over afternoon tea, or linger over the dining table after dinner and then take a drink out onto the terraces to see the stars twinkling over the snow.

You'll be well cared for at this luxury Verbier ski chalet, from the moment you wake to the aroma of breakfast being prepared by your talented chef to the second your head hits the soft, plump pillows at night.

Eating

You'll wake each morning to the aroma of a cooked breakfast. For those who prefer something lighter there's also a continental option. When you return from your morning's skiing to your luxury ski chalet, afternoon tea will be laid out ready for you.

In the evenings, pre-dinner champagne and canapés are served while your chef prepares a gourmet four-course meal for your party. Dinner is accompanied by a selection of house wines, and there is also beer and selected house spirits available throughout your stay. If you have any special requests such as a favourite tippie, we can have it stocked, at an additional cost.

On your chef's day off, staff will be happy to make restaurant bookings for you.

Your chef will prepare an early-evening children's tea so that little ones need not be on their best behaviour and adults can enjoy a more relaxed meal post-bedtime.

Should you prefer to do the cooking yourselves on your luxury ski holiday then Chalet La Vigne can also be taken on a self-catered basis or bed and breakfast basis.

Kids

Children are warmly received here and families made to feel very welcome. The spaciousness of the property means that there's always plenty of room for kids to let off steam, as well as lots to keep them occupied when they aren't on the nursery slopes. As well as a lovely indoor pool for them to splash in, there's also a cinema room, where they can escape for a film after teatime while the grown-ups enjoy pre-dinner drinks.

To make life easier for parents, there is an in-resort driver service to shuttle you to and from the ski lifts and your chef will be pleased to do a kids' tea each evening so they can eat at a more suitable time for them. Cots and highchairs are also available on request and nannies and babysitters can be arranged.

Location

Chalet La Vigne is perched just above Patier and has wonderful views out over the Verbier plateau. It's a short 6 minute drive to the Medran lift and a 5 minute drive to the centre of Verbier.
