

Chalet Le Grenier Meribel, France

What we love...

We love the addition of a games room as well as a family room – space for everyone and no arguments over what’s on TV.

*** For this coming 2020/21 winter season only, this luxury ski chalet is adapting to a safe, non-contact style service to keep guests and staff safe, so everyone can enjoy all the mountains have to offer this winter. Your dedicated chalet assistant will provide daily contactless cleaning and preparation, implementing COVID safety policies. Travel within the resort will be provided via a pre-booked professional chauffeur-driven service. ***

Lovely, light and luxurious, Chalet Le Grenier is a wonderfully spacious luxury ski chalet in Meribel spread out over five floors and with room for everyone to ‘do their own thing together’.

The huge, vaulted-roofed living room has floor-to-ceiling windows giving you wonderful views. Two distinct seating areas, made up of squashy sofas around large coffee tables means there is plenty of space for your whole party to lounge and enjoy après-ski drinks when

you all trudge in from the slopes. An imposing fireplace makes this a really cosy spot to hunker down and look out on the snow.

Elsewhere, a family room is equipped with top-of-the-range audio visual equipment such as Apple TV and a Sonos sound system that will make catching an afternoon film a real experience. If you’re in search of a quieter spot to retreat to, perhaps with a sneaky glass of wine and a book, there’s also a study on this floor, too. Youngsters will enjoy the games room, which is kitted out with something to amuse children of every age, from toys and board games to a snooker table and a PlayStation.

If a little pampering is in order to soothe aching limbs after a morning on the slopes, you can disappear for the afternoon to the chalet’s private spa area. Sink into the Jacuzzi, retreat to the sauna or book a private masseur in the massage room.

Eating

For this coming 2020/21 winter season, this luxury ski chalet is adapting to a safe, non-contact style service in light of Covid-19.

Daily continental breakfast including fresh bread and pastries, fresh fruit platter, cereals, a selection regional cold meats and cheeses, artisanal yoghurts are laid out for you and cleared away whilst you are not present.

Your chalet manager will arrange your evening restaurant bookings on your instruction. Alternatively, should you wish to try home delivery options from local restaurants, the team will ensure the dining area is laid out beforehand and cleared away afterwards.

Most restaurants are adapting to 'the new normal' by setting up quality cuisine style deliveries and your chalet manager can liaise on your behalf and organise with minimal disruption to your stay. Should you wish to bring your own chef to cater for your group, this can be arranged.

Perrier-Jouët Champagne, an open bar stocked with beers, premium spirits and soft drinks, along with bar snacks and range of selected chateau bottled house wines are available during your stay.

Chalet Le Grenier

Kids

Children are given a warm welcome here and everything is done to make life for parents as easy as possible.

A wonderfully kitted out games room has a snooker table, Apple TV, PlayStation, Sky and Sonos sound system. There's also a family room, brimming with audio visual equipment so older ones can watch a film in here if the games room is getting too noisy.

The five-storey chalet is served by a lift, so there are no tricky stairs for toddling little ones. The property can be kitted out with everything parents might need – cots, highchairs, baby monitors, toys and games, baby backpack carriers, sterilisers, children's cutlery and even emergency nappies.
