

Chalet Le Pousse Caillou Meribel, France

What we love...

We love the sunken outdoor hot tub on the terrace.

Understated elegance are the watchwords of this beautiful chalet in the heart of one of Europe's most lovely ski resorts.

Chalet Le Pousse Caillou is a luxury ski chalet in Meribel with outdoor hot tub, and everything else you could need for a relaxed, pampered luxury ski holiday.

A pared-back style pervades the interior of the chalet. Warm woods and a palette of sophisticated greys brings a natural simplicity and allows the fabulous valley views from the windows to be fully appreciated.

Each of the en-suite bedrooms is ultra-comfy, with contemporary, luxe furnishings and either walk-in shower or deep bath tub. Ligne Rosset furnishings throughout the chalet, with simple, clean lines, give a minimalist yet warm and cosy feel.

The open-plan living and dining space is light, bright and a wonderful spot to gather with friends and family, around the fire over a Kir Royal and canapés, or over a relaxed, gourmet meal around the intimate dining table. For moments when the children want to escape to their own den or you'd just like a few moments to yourself, there's also a fabulous TV room with 65" screen, where you can put your feet up in front of a movie.

This luxury ski chalet is beautifully located to make the most of both Meribel's skiing and the town itself. And after a tough day, skiing, partying and enjoying yourself, there's no better way to unwind than with a glass of wine out in the heated sunken hot tub. Bubbles, scenery and mountain air complimentary. Good book and great company available on request.

Eating

A dedicated host and chef will keep you well fed and watered throughout your stay at this luxury ski chalet.

Each morning, a hearty breakfast of cereals, homemade yoghurt with fruit compote, pastries, cooked breakfast and a daily special, such as eggs benedict, will fuel you for a day out in the snow. When you return, afternoon tea will be laid out ready for you, and includes homemade cakes and biscuits and even a charcuterie platter if you like.

In the evenings, canapés and drinks are served while your chef prepares an elegant meal for you. The focus is on fresh food, imaginatively served. Complimentary fine wines, beer and soft drinks are always available, too.

Your chef will cook a dedicated kids' tea earlier in the evening so that everyone can enjoy a relaxed meal at their own pace. The chef will be in touch prior to your stay to discuss any of your children's likes, dislikes and allergies. If you prefer, family meals can be served for everyone at the same time.

Chalet Le Pousse Caillou

Kids

This luxury ski chalet is very well set up for those travelling with children and has been stocked with everything you might need, including children's beds and cots with linen, highchairs, emergency nappies, bibs, sterilisers, baby monitors, children's cutlery and crockery, baby backpacks and even toboggans. There are also stacks of DVDs, toys, books and games to keep them amused.

Two of the bedrooms are family suites, offering accommodation for two families of four who want to keep young children close by at night time.

At the start of your stay, the children's services manager will pop by to chat about your childcare needs. The resort has a crèche where children can enjoy up to six full or half days each week for an additional cost, and drivers with cars fitted with child car seats are available to collect the kids for crèche and drop them back to you afterwards. Private nannies can also be booked to work in your luxury ski chalet.
