

## Chalet Le Torrent Crans Montana, Switzerland

### What we love...

We love the generously sized terrace. Surrounded by a veil of trees it makes a lovely, secluded outdoor entertainment space.

The rustic charm of a shooting lodge meets the quiet sophistication of an English country house in this luxury ski chalet in Crans Montana.

Beautifully rich wooden beams and pillars bring real warmth and a very welcoming atmosphere to the communal areas. Cosy up in club armchairs around the stove-style fire with a good book and a glass of wine, or relax on the large sofas to catch up with the rest of your party over afternoon tea, while you watch skiers hurtling down the slopes outside. And when you want to get out on the powder yourself, you're

only moments away in this ski-in/ski-out luxury chalet.

If you prefer not to cater for yourselves, it is possible to hire a private chef. Gather around the intimate dining table while a delicious gourmet meal is prepared for you alongside fine wines from the chalet's cellar.

When it's time to turn in you'll be pleased to sink into one of the king-size beds in the en-suite bedrooms. We recommend you arrive early to baggy the master bedroom with its Jacuzzi bath for two!

However if you would like to book a private chef to cook for you throughout your stay this can be easily arranged.

The chef can prepare as many or as little meals as you would like, as well as cooking everything to your tastes and requirements. So whether you want a 6 course tasting menu or delicious home cooked meals, it is all your choice, just let the chef know.
