

Chalet Les Attelas Verbier, Switzerland

What we love...

We love discussing the days adventures over a sun-downer in the hot tub at the end of the day, whilst taking in the awe-inspiring view of the distant Alpes. Heaven!

Chalet Les Attelas has been styled with a wealth antique furniture and classic wood panelling, giving you a cosy base from which to explore the stunning 4 Valleés ski area.

Full of character, Les Attelas is a beautiful stand-alone chalet in the upper part of Verbier, close to Les Esserts nursery slopes – perfect if you have some beginners or children in the group. And for the more advanced skiers, you can almost ski right back to the chalet from the main Verbier ski area (snow permitting) which is always fun at the end of the day.

Chalet Les Attelas is just a five-minute drive from the stylish boutiques, the buzzing bars and the main Medran lift station. The 24-hour chauffeur service is on hand to

drop you at the lift or pick you up at the end of the evening.

Les Attelas is a great place to relax and recuperate after a hard day on skis. You can take in the magnificent view of the peaks across the valley from Petit Combin to the Mont Blanc range and beyond whilst soaking in the hot tub on the terrace, finished off with spell in the sauna or steam room.

The service in Les Attelas is spot on; friendly yet professional. The team will take care of every detail and take all the hassle out of your stay. They can be as hands-on or as discreet as you wish – it's up to you. With their detailed knowledge of the area, they'll be able to recommend where to find the best snow or the best steak.
