

Chalet Les Bastidons Courchevel 1850, France

What we love...

We love the cosy spa area with swimming pool, beautifully lit and the perfect spot to relax after a morning on the slopes.

Gastronomy, great skiing and wellbeing are the pillars of life in the Three Valleys, and they're the cornerstones of this luxury ski chalet in Courchevel 1850.

Chalet Les Bastidons is perched conveniently on the mountain in the exclusive Les Chenus area, offering you a ski-in/ski-out location on the Le Plantret piste. And everything within the chalet is designed for your comfort and convenience.

Fancy some pampering right on your doorstep? This luxury ski chalet with spa has a swimming pool and outdoor hot tub just waiting for you to jump in, and don't forget to pay the sauna and hammam a visit too. Each of the cosy en-suite bedrooms is kitted out with plush towels and a selection of luxury bath products.

A fan of gourmet food and fine wines? Your chef and butler will be standing by to whip up an Alpine storm (or whatever you prefer) and after dinner, we recommend taking a glass or two out onto the terrace to enjoy the spectacular view.

This luxury ski chalet's beautifully designed interiors are as contemporary and stylish as they are cosy and welcoming. Gather around the roaring fire with friends on squashy sofas, or in the intimate dining space, which creates a chic backdrop for leisurely meals that go on long into the evening. Chalet Les Bastidons has a comforting and magical atmosphere, in which to enjoy a memorable break with friends and loved ones.

When they're not out on the slopes, conveniently situated right outside your front door, children will enjoy splashing in this luxury ski chalet's swimming pool. Your chef will be happy to prepare an earlier children's tea, meaning little ones don't have to be on best behaviour during a long meal and the adults can relax post-bedtime and enjoy dinner at their leisure.
