

Chalet Les Brames

Merbiel, France

What we love...

We love the hip, modern style, bold works of art and acres of glass to stare out at that amazing mountain view.

Chalet Les Brames is without doubt one Meribel's finest chalets. Tucked away amongst the trees, Chalet Les Brames offers the privacy and seclusion of an exclusive gated development, yet is just a two-minute chauffeured drive from the town centre and the main lift hub.

Inside, you'll find over 600 sq. metres of space, with a beautiful interior. Every part of the chalet - the living space, the rooms, the wellness area, the bathrooms - have all been impeccably styled with sophisticated elegance, contemporary touches and a classic twist.

The large garden is great for families with children to play in the snow and the huge picture-windows provide breathtaking views up the valley towards Mont Vallon.

Relaxation and wellbeing is taken seriously at Chalet Les Brames. The state-of-the-art wellness area features an outdoor hot tub, a hammam, steam room and an ice bath.

The chalet's cinema is perfect for movie nights and there is also an Apple TV.

The food at Chalet Les Brames is a real treat. The talented chef will create superb gourmet dinners for the guests, as well as exquisite afternoon cakes and pre-dinner canapés. The service is exceptional from the whole team of full time staff who will ensure that your stay at the chalet is perfect from start to finish.
