The main living areas are equally generous, with vaulted ceilings that bring a real sense of light and space. The elegant dining area with views out onto the snow is a magical place to enjoy meals with the rest of your group, prepared to your instructions by your private chef. The living area is just made for relaxing in, with oversized sofas sprawled around a roaring fire. There's even a cosy cinema room where you can all cuddle up on sofas together to watch a film in the afternoons.

But the real icing on the cake with this chalet must be the spectacular entertaining room – an enormous space decorated in a sophisticated monochrome palette with bar, wine cellar and several seating areas, all lit up by sparkling chandeliers, creating the perfect backdrop for your party.
