

## Chalet Pont du Cam Meribel, France

### What we love...

We love the vibrant modern interior with social bar area and pool table. Not to mention the state of the art gym and wellness facilities.

Those who appreciate contemporary design will love Chalet Pont du Cam. This luxury ski chalet in Meribel has recently been given a stylish makeover and is now an ultra-modern property, bursting with colour and fun design features.

In the spacious living room, an enormous sofa curls round a feature fireplace, with space for everyone to lounge and warm themselves over a glass of wine after a day on the slopes. Adjacent to this is a fabulous bar area, with open bar and a pink pool table! On the other side of the impressive fireplace is a sleek and sophisticated dining area, where you'll enjoy wonderful meals, prepared by your private chef.

In this luxury chalet, with outdoor hot tub, hammam and gym, you can

really relax and rest both body and mind. Masseurs can be booked to come to the chalet to sooth slopes-weary limbs, or simply spend an hour in the steam room or working out, before heading for the outdoor hot tub on the terrace for a glass of bubbly in the bubbles while you take in some of that mountain air.

The seven main bedrooms, each named after a different Cambridge college, are all individually designed to the very highest of standards. With luxury en-suite bathrooms, TVs and wifi, each one is a little haven on its own for you to escape to at night time, and there's no better recipe for sweet dreams than Meribel air and the super-comfy beds of Chalet Pont du Cam.

## Eating

Your private chef will contact you prior to your holiday to discuss your menus with you and will be on hand to ensure you're kept well fed and watered throughout your stay.

Each morning breakfast will be served to set you up for a day on the slopes of Meribel. When you return home mid-afternoon, a warming afternoon tea spread will be ready and waiting for you. Then, while you relax and unwind over a drink or two, your chef will be busy preparing your sumptuous evening meal. Though dining is flexible at this luxury ski chalet, your hosts recommend to include one evening of Kaiseiki, a six-course Japanese fine-dining experience; an evening at Chef's Table to try a six-course tasting menu with matched wines, designed to showcase the chefs' skills; three 'gourmet' dinners designed especially for your group and one relaxed dining evenings, allowing you to enjoy the comforts of your chalet in front of a film.

Dinner is served on 5 nights out of 7. Dinner can be served on 6 nights by prior arrangement and at an additional cost.

## Kids

Families are well looked after here. Your chef can prepare special children's teas to cater to even the fussiest of eaters, and childcare can be easily arranged should you want to ski alone or go out for the evening.

The chalet has its own cinema room, with reclining chairs meaning older children will be happily amused for hours whilst the adults enjoy the outdoor hot tub.

The in-resort driver service makes getting to town or the slopes with young children a cinch, too.

## Location

Chalet Pont du Cam is located in Meribel on the Route l'Altiport. It's just a 2 minute chauffeured drive from the Doron piste, from where you can easily access the main Chaudanne lifts.

The centre of Meribel with all its bars and shops is also only a 5 minute drive. There are also one or two bars and restaurants within easy walking distance of the chalet.
