

## Chalet Quartz

Argentiere (Chamonix), France

### What we love...

We love the brilliant facilities on offer with something for everyone, children will love the games room whilst the adults can relax in the sauna and outdoor hot tubs. Alternatively gather around to watch a film in the cinema room or play a board game in front on the roasting fire.

Boasting traditional Alpine charm on the outside, yet beautifully contemporary on the inside, Chalet Quartz is a beautiful luxury ski chalet and the perfect getaway for larger groups seeking a luxurious haven.

Tucked on the banks of the river Arve, yet close to Chamonix's bustling shops, bars and restaurants, Chalet Quartz merges two outstanding properties – Chalet Granit and Chalet Cristal – within the sleepy hamlet of Argentiere. A huge dining room connects these two luxury ski chalets and provides the perfect setting for social dining – where better to enjoy the culinary delights whipped up by your own private chef while sharing the highlights of your day?

Chalet Quartz is wonderfully light and airy, with huge windows in the open-plan living spaces leading on to private terraces, and stunning views towards Mont Blanc. Sink into a sofa beside the roaring log fire, or step into one of the two outdoor hot tubs to unwind after a day on the slopes.

The complex, comprising of four chalets, has shared use of a cinema, as well as a Hammam, sauna, fitness area and wine cellar. There's truly something for every member of your party to indulge in on your luxury holiday.

Chamonix is a buzzing town all year round, and Chalet Quartz is ideal for a summer chalet rental in the Alps. Surrounded by beautiful scenery, it also has a shared outdoor swimming pool to enjoy (for summer use only).
