

Chalet Renee

Crans Montana, Switzerland

What we love...

We love the private mini spa – perfect for a bit of post-slopes relaxation.

As cosy as it is classically contemporary, this luxury ski chalet in Crans Montana is a real winner. Perched right on the slope it is ski-in/ski-out so there's no time wasted dragging your ski gear to and from your destination, and its slope-side position gives it fabulous views out over the mountains (with the occasional skier hurtling past, too!).

And it's not just the snow that's on site at this luxury chalet. With a private spa that includes a Jacuzzi and sauna downstairs, you won't have far to go for some serious

pampering either. When you've kicked off your ski gear and slipped into a bathrobe, take your bubbly down to the spa and catch up with your fellow guests as you ease away the aches of the day.

Of an evening, a private chef can be arranged to prepare a sumptuous meal for you while you sit in front of the flickering fire or take your pre-prandial drinks out onto the terrace to watch the sun set over the mountains from one of the best locations in Crans Montana.

However if you would like to book a private chef to cook for you throughout your stay this can be easily arranged.

The chef can prepare as many or as little meals as you would like, as well as cooking everything to your tastes and requirements. So whether you want a 6 course tasting menu or delicious home cooked meals, it is all your choice, just let the chef know.
