

Chalet Sorojasa Verbier, Switzerland

What we love...

We love a swim in Sorojasa's stunning 11m pool after a day's skiing does wonders to recuperate tired legs. And of course, being so close to the Médran lifts is ideal.

Chalet Sorojasa is a mere 200m from the main lift station at Médran, but is tucked away in a quiet secluded spot just off the beaten track. It's perfectly placed for a gentle stroll into town to peruse the swish boutiques of Verbier. But if walking is not your cup of tea, guests of Chalet Sorojasa benefit from a round-the-clock chauffeur service to shuttle them back and forth.

The chalet is built over five floors with the main open plan living space on the top floor. The result – commanding views over Val de

Bagnes and the peaks of Mont Blanc in the distance. The good news is that Chalet Sorojasa is equipped with its own lift, a welcome relief after a day on the slopes.

To help you relax, the chalet has a steam room and massages can also be arranged in the treatment room, perfect to soothe tired muscles. But perhaps the pièce de résistance at Chalet Sorojasa is the stunning 11m swimming pool.

Adults and older children will love the cinema room with games area, complete with table football and bar.
