

Chalet Tahoe

Courchevel 1850, France

What we love...

We love the fabulous living area - sofas gathered around a central fireplace with integrated TV screens above.

Sleek, chic and uber modern, Chalet Tahoe is no run-of-the-mill property. This luxury ski chalet in Courchevel 1850 has a very definite sense of style and makes for a totally stunning holiday home in the mountains.

The eight beautifully designed and generously sized bedrooms mean there is plenty of room for a party of up to 16 to relax in comfort. All the bedrooms have balconies and en-suite marble bathrooms.

The chalet is well located, just a few minutes' walk from the centre of the village, and only 30 metres to Bellecote piste, so you can be out and on the snow in no time each morning. When you return in the afternoon, Chalet Tahoe offers a warm and comforting welcome. Pad

down to the glorious spa and soak in the swimming pool, sit in the Jacuzzi a while, or simply relax in the spa lounge... then perhaps cosy up in front of a film in the cinema room before dinner.

The chalet is decorated in a neutral and monochrome palette, which gives it a relaxing yet sophisticated feel – the perfect backdrop for a delicious dinner in the stylish dining room, or an evening simply sprawled on sofas around the amazing central fireplace with integrated TV screens, while your butler tops up your glasses.

Modern art blends seamlessly with rustic wood beams and traditional features here for a perfect mix of the ancient and the modern.
