

Chalet Totara

Courchevel 1850, France

What we love...

We love the location of Chalet Totara on the slopes of Courchevel 1850, with virtually ski-in/ski-out access to some of the best skiing in the world renowned Three Valleys ski area.

Nestled into the mountainside in the heights of Courchevel 1850, one of the worlds most exclusive ski resorts, sits the luxury ski chalet Totara.

Spanning 270sqm and 4 floors, this sizeable luxury chalet sleeps up to ten people in five luxury bedrooms. However, the chalet's outdoor hot tub, and massive living area with huge central fireplace and plush sofas, will ensure that you'll be in no hurry to retire to your room.

Unwind in your private hot tub after an exhilarating day on Courchevel's world renowned slopes, and soak up the incredible views as the sun goes down on yet another day in

paradise. Then curl up in front of the fire while your private chef (if you choose to hire one) prepares a gourmet dinner.

Chalet Totara strikes the perfect balance between a traditional, rustic style, and contemporary luxury. Wooden floorboards and panelled walls and ceilings throughout are complemented perfectly by soft rugs and furnishings, and velvet drapes.

With the slopes right on your doorstep and everything you could possibly want within your 5 star luxury ski chalet, you'll have little desire to venture much further afield.
