

## Chalet Tschoder

St. Anton, Austria

### What we love...

We love the outdoor hot tub on the sunny south-facing terrace.

Look up the definition of 'cosy' in the dictionary and you might just find a picture of Chalet Tschoder, log fire roaring away, and drinks waiting for you next to the capacious sofas.

This stunning luxury ski chalet with its rich woods, plush furnishings and jewel colours offers a really warm welcome when you return to it from your day's skiing. With ski-in/ski-out access, you'll be out of your ski boots and warming yourself in front of the fire within moments.

As you enter the chalet you step into the living room, with its quiet, cosseting atmosphere and retro armchairs. Next door is the bar – the perfect spot for a quick glass of bubbly while you catch up with friends on all the day's events.

The entertainment area at Chalet Tschoder is very generous. While it's a sociable space, there is more than enough room to accommodate all 14 guests comfortably and plenty of quiet corners to find a little peace in. As well as the drawing room, there is a large living room with views of St. Anton, and an adjacent

dining room where you can enjoy one of the chef's long, leisurely and delicious meals, fuelled late into the night by hand-selected wines and good company.

Relaxation is top of the agenda here. There's no finer way to recharge after a day on the slopes than in the outdoor hot tub on the sunny terrace. Additionally, the chalet has a spa with sauna, ideal for soothing any aching muscles as well as a gym for those who wish to maintain their fitness regime. There's even a TV room, where the kids can kick back in front of a movie while you enjoy pre-dinner canapés, or you can all sit down to a late night film together.

Each of the luxury bedrooms is like a cosy cocoon with warm woods, sink-into beds, thick duvets and the plumpest of pillows. It's a real 'bear hug' of a welcome at the end of each day. Fluffy bathrobes, cosy slippers and luxe toiletries to pamper yourself with in the spa-style bathrooms provide the icing on the cake to ensure you have a nothing but fabulous luxury ski holiday.

### Eating

Your private chef and dedicated hosts are always on hand to ensure you have all you need at this luxury ski chalet.

A continental and cooked breakfast is served each morning and when you return from your skiing day, afternoon tea is ready and waiting for you.

Each evening, drinks and canapés are served while your chef prepares a delicious four-course meal for you to enjoy alongside selected house wines. Menus can be tailored to your preferences and any dietary requirements will be taken into account.

Your chef will also be happy to serve an early evening kids' tea so that children don't have to be on their best behaviour and you can enjoy a more relaxing meal post-bedtime.

The chalet also has a supply of spirits, mixers, beers and soft drinks available. If you have any special requests such as a favourite tipple, we can have it stocked, at an additional cost.

This luxury ski chalet can also be taken on a bed and breakfast or self-catered basis.

### Kids

Children are given a warm welcome at Chalet Tschoder. There's a lovely bunk room that sleeps two and several of the bedrooms can be configured as twins. The shared in-resort driver service means that you won't have to walk with little ones.

To keep them out of trouble, there's a separate TV room where kids can enjoy some down time in front of a movie.

Your chef can also provide an early children's tea so that everyone can enjoy a more relaxed evening meal. For those with babies, cots and highchairs are available on request.

If you would like a little time to yourself, nannies and babysitters can be arranged on request.
