

Chalet Ubud Tignes les Brévières, France

What we love...

The fabulous outdoor hot tub – the perfect spot to wind down after a day on the slopes.

Newly opened in 2017 and designed by Guerlain Chicherit, Chalet Ubud takes its inspiration from the iconic Bali town of Ubud. There are plenty of exotic Eastern influences and original Balinese pieces in this luxury ski chalet overlooking the pistes and village of Tignes les Brévières.

There are five luxury bedrooms, including a wonderful children's bunkroom and the open plan living and dining area on the third floor offers the perfect spot to gather with friends and family after a day on the slopes. Relax around the central fireplace before drifting onto the balcony, drink in hand, with mountain views on your luxury ski holiday. Or if you're feeling competitive, have a game or three on Chalet Ubud's table football, or

chill out in front of the TV with PS4.

Guests at the residence can enjoy après ski on a large private terrace which looks over the resort and provides the perfect setting to reflect on the exploits of your day. Fire pits and furs will keep you warm as the bar serves up incredible signature cocktails (at additional cost).

If that isn't enough, you'll also have access to a shared swimming pool, hammam and sauna which is conveniently located within the same building that houses this luxury ski chalet. When it's time to eat, gather with your party in the large open plan dining area. If you prefer to dine out on your luxury ski holiday, it's just a short stroll the wonderful restaurants in Tignes les Brévières.
