

Chalet l'Arctique

Courchevel 1850, France

What we love...

We love sipping Champagne on the balcony overlooking the bright lights of Courchevel.

Situated right in the glittering heart of Courchevel 1850, Chalet l'Arctique is ideal for groups who want to be right where the action is, with a luxurious pad to return to each evening.

This state-of-the-art self-catered chalet is split over 5 floors and has 6 bedrooms. Modern in décor, it's a mix of contemporary neutral tones and grey wood. The main living area is dominated by the room's low, up-lit eaves and chunky beams that make it feel cosy and intimate despite its wealth of space. Here you can sink into the wraparound sofa by the open fire with a mug of hot chocolate and a good book.

After dinner, why not cosy up on the sofa for a film with surround sound, or take a hot toddy onto the balcony overlooking Courchevel's night lights.

All the bedrooms in Chalet l'Arctique are unique and spacious, with a few fabulous twists along the way – the fabulous freestanding bath in the master suite for example.

With the slopes literally seconds from your front door, you don't waste a moment skiing. Yet, there's plenty to drag you back to the chalet each afternoon and guests can enjoy the private wellness area with an indoor Jacuzzi and swimming pool. We can't think of many better ways to pass an afternoon.

All in all, Chalet l'Arctique is ideal for those who want to live right on Courchevel's buzzing doorstep - and with the slopes just 50 metres away too, every box is ticked.
