

## Entre Ciel et Terre Verbier, Switzerland

### What we love...

We love the fabulous central stone fireplace, making a beautiful focal point when relaxing on the sofas with a slice of homemade cake and a cup of tea after a day carving the pistes.

Entre Ciel et Terre is a stylish self-catered mountain retreat, with its large stone open fireplace taking centre stage and the charming half-moon French doors opening onto a balcony giving dramatic panoramic views across the valley.

Actually a 220sqm penthouse apartment occupying the top two floors, Entre Ciel et Terre feels like a free standing chalet and guests can use building's shared sauna.

With its beautiful wooden beams, sloping roof and chic open plan living space, this luxury property

makes a lovely cosy base from which to explore Verbier and the extensive 4 Valleés ski area.

The chalet is centrally located between Savoleyres lift station and Les Moulins nursery slope, but the 24-hour chauffeur service is available to take you to and from the slopes and out in the evening, however late you please.

With an in-resort concierge service to ensure you have all you need, a stay here has all the convenience with all the flexibility of luxury self-catered ski holiday.
