

Marbella Club - 3 bedroom villa Marbella, Spain

What we love...

We love the combination of privacy and seclusion, but with the fantastic facilities of the luxurious Marbella Club Hotel on your doorstep.

With its pretty, whitewashed façade and sparkling swimming pool, all set in its own private garden, this luxury villa in Marbella is an ideal base for a family holiday.

Fully kitted out with top-of-the-range equipment – from the Nespresso coffee machine in the kitchen to the flatscreen TV and iPod dock, it's a comfortable home from home with a feeling of privacy, yet is hidden within the grounds of the exclusive Marbella Club hotel, so you will also have access to all the luxury services and facilities that has to offer. Drop the children off at the gardening club or to make their own perfumes in the care of

the dedicated kids' club staff, while you enjoy a round of golf, a couple of hours in the luxury spa, or simply escape back to your own villa to float in the pool or sit under the shade of the vines with a drink and a good book.

Inside, the villa is decorated in simple Andalusian style, and to a very high standard. A palette of earthy neutrals gives the interior a calming feel. Once evening turns to night and you've come in from the terrace, you can relax on the sofas with the doors open and have a nightcap as the cool breeze blows in off the sea, bringing the day to a close.
