

Villa Adeline Antibes, France

What we love...

We love the privacy of the heated outdoor pool, surrounded by shady trees.

This luxury villa in Antibes nestles in the heart of a pine forest on the Côte d'Azur. Characterful as well as light and airy inside, this pretty, shuttered building is a fabulous base from which to explore the French Riviera in style.

The open-plan living areas are tastefully decorated in a palette of neutrals with hits of rustic colour. The stone floor gives the whole space a natural, calming feel and on hot summer's days, the interior is beautifully cooling.

The five bedrooms are all spacious and individually decorated for a stylish yet homely atmosphere. Natural bed linens and pillows arranged to your personal instruction make each of the bedrooms a wonderfully relaxing space to retreat to each night.

The villa sits within huge landscaped

grounds, with a private and secluded swimming pool nestled among trees. Wander among the gardens feeling like lord and lady of the manor. Or, on warm evenings, ask your chef to serve dinner alfresco and sit and watch the sun set over a few after-dinner drinks.

A short fifteen-minute drive from Villa Adeline is the prestigious five star hotel that manages the villa. Guests can take advantage of the hotels' fabulous wellness area and indulge in the latest treatments at the beauty clinic.
