

Villa Bellavista St.Barths, Caribbean

What we love...

We love the fire pit, with an arc of comfy chairs around it and its awesome view out to sea.

We do love a villa that absolutely lives up to its name. Perched high above a beautiful bay, Villa Bellavista offers some of the dreamiest views we've seen, and allows you to enjoy them in style, sitting on outdoor sofas in an arc around a firepit, drinks in hand, looking out over pretty rooftops and lush greenery to the sea beyond, dotted with little sailing boats.

This luxury villa in St Barth's is definitely the stuff dreams are made of, with everything you could hope for on site, from heated pool with sea views, to a wonderful wine cellar with tasting table – a deliciously cool spot to retreat to on warmer days.

And as an added bonus, guests of the villa benefit from access to all the facilities at the exclusive Eden Rock Hotel just moments away, with its fitness suite and two wonderful restaurants for you to explore.

Indeed, eating and drinking should be a highlight of any stay here, whether you're booking with the added benefit of a dedicated chef to cook for you both indoors and out using the finest local ingredients, or have a keen amateur chef in your party and would prefer to make the most of the fabulous culinary facilities here – the kitchen is equipped with a steam oven, blender and a multitude of other gadgets and gizmos and there's also an alfresco kitchen for long, leisurely barbecues under the stars.

The villa's communal living areas are decorated in stunning and unique style, mixing pattern, muted colours and rich woods for a coastal/tropical style. Luxe fabrics and natural materials, top-of-the-range fixtures and fittings and a light and airy atmosphere makes each of the en-suite bedrooms a real treat to retire to at the end of the evening. You're sure to enjoy only the sweetest of dreams here.
