

Villa El Cano Marbella, Spain

What we love...

We love the outdoor dining terrace with its canopy and sophisticated barbeque.

Designer furniture and contemporary luxury are the hallmarks of Villa El Cano. Whether you are planning a big celebration, an indulgent retreat or a gathering of the clans, this venue is bound to impress your guests.

Villa El Cano is your own private playground. Laze under the palm-fringed umbrellas dotted around the grand outdoor pool, spend a soothing afternoon in the bubbling outdoor Jacuzzi or sink into the plush outdoor living room on the sun-soaked upper terrace for a sundowner or two complete with mountain views. With vast expanses of manicured lawn with lake views, there's plenty of space for little ones to run around, and grown ups can watch on from the many al fresco dining tables over an afternoon tea. Should you seek solace from the afternoon Costa del Sol sun, a grand indoor pool with relaxing Jacuzzi awaits.

Dining is an event at El Cano, and our favourite spot is the glass house in the garden, where you can dine together under the stars. With an

open plan professional kitchen, you can pull up a seat at the dining bar, hire in an expert chef and watch as they cook creations tailored to your taste. Truly spoilt for choice, another grand dining table can be found in the open plan living area, and with floor to ceiling windows, even on cooler evenings you don't have to sacrifice the amazing countryside views should you wish to dine indoors.

The views from Villa El Cano are some of the best in the area, stretching out over the rolling hills of the Los Flamingos golf course to the Mediterranean Sea. Yet despite being cocooned in a huge private estate, you are only a short stroll from the local shops and a fifteen minute drive from the bright lights of Puerto Banus.

Villa El Cano is the perfect place to hold a large group gathering and with all the attractions of the Costa Del Sol on your doorstep, including world class golf courses, fine sandy beaches and a buzzing nightlife, you can do as little or as much as you please.

Our concierge service can arrange grocery deliveries, make restaurant bookings and generally provide whatever you need to make your stay unforgettable.

Villa El Cano

Kids

If fun in the sun is what your children enjoy, then they will be in seventh heaven at Villa El Cano. Close to the beaches of the Costa Del Sol and the bustling towns of Marbella and Puerto Banus, the area offers plenty of things to see and do, from beach volleyball to horse riding.

First of all though, the kids will want to explore their Spanish mansion and its beautiful secluded grounds. They will love splashing around in the indoor and outdoor pools. There is plenty of shade on the terrace too, so delicate skins can be kept out of the midday sun.

Cots and highchairs can be provided – just let us know whatever you need. We can also arrange staff to help look after your little ones, from full time nannies to the occasional babysitter. And, our concierge service can come up with lots of ideas for exciting activities and, even better, make all the arrangements for you. How very relaxing!

Location

Located within a gated community on the edge of Marbella, Villa El Cano is 15 minute walk from the quaint town of Cancelada, where you will find traditional restaurants, bars and supermarkets. Only a 5 minute walk away is the 5* hotel Villa Padierna, perfect for dining out or a spot of golf.

We recommend hiring a car, as Puerto Banus is a short 15 minute drive away, whilst Marbella Old Town is a 25 minute drive.

The nearest airport is Malaga, a 50 minute drive away.
