

Villa Florence St. Tropez, France

What we love...

We love the expansive manicured gardens with superb outdoor terraces. Villa Florence makes a wonderful villa for entertaining and living the St. Tropez lifestyle.

Villa Florence offers the ultimate in privacy and luxury for a serene and relaxing experience just minutes away from the St. Tropez nightlife.

This stunning seven bedroom, seven bathroom traditional-style villa sits in extensive gardens with wonderful outside living areas. Breezy terraces, a pristine swimming pool with a covered outdoor dining area, a tennis court, and views of the countryside all give Villa Florence a resort-like feel.

Inside, a large, open floor plan connects the six comfortable main

house bedrooms to relaxing living and dining areas, while a guest house provides an additional bedroom.

A well equipped kitchen blends modern appliances with rustic décor. Arrange for a private chef during your stay and they will prepare your morning breakfast, which you could eat outside in the early morning sun whilst planning the day ahead.

Both inside and out, Villa Florence offers a truly elegant Saint-Tropez experience.
