

Villa Gloria Barbados, Caribbean

What we love...

We love the simply stunning gardens – lush, green and dotted with lily ponds and the relaxing sound of gently babbling water over the waves.

Talk about 'water features'! This luxury villa in Barbados has them in spades, from the gently trickling streams and lily ponds, through the fabulous swimming pool, to the azure ocean just steps from your door. Water features high on the agenda here.

The beachfront property is set in three acres of tropical gardens overlooking the Caribbean, and really makes the most of the luxury outdoor lifestyle. Whether you are floating in the stunning swimming pool with the magnificent villa as a backdrop, wandering among paths and bridges in the lush gardens, or having a game of tennis in the sun, you'll appreciate the wonderful setting Villa Gloria offers.

As you step through the front door of this luxury villa, a sweeping staircase frames the view of the sea at the opposite side of the house. Walk through into the communal rooms and you'll find an open-plan space where you'll feel right at home. The dining room, with its colourful red chairs and quirky art pieces provides a backdrop that is as much a conversation piece as a place in which to relax. Nearby,

in the living area of this luxury villa, the comfy sofas offer a spot to sprawl in the cooling breeze that floats in off the sea and through the property.

Each of the bedrooms, with amazing views and spa-style bathrooms is a mini retreat in itself. They offer the perfect place to hide away in your room and find a little peace and quiet whenever you like.

Villa Gloria offers ample space for everyone to 'do their own thing together', whether that's a round of golf on the fabulous nearby golf courses, lounging on the sun deck with cocktails as the sun goes down, or making the most of the villa's amenities – the TV room, outdoor dining gazebo alongside the fabulous entertainment terrace, make this luxury villa the perfect venue for entertaining.

The property is well-located, so it's easy to explore the local area and all it has to offer, but as soon as you walk back through the door you feel the warm welcome and homeliness that the villa extends to all its guests.
