

Villa Lorea Ibiza, Spain

What we love...

We love the amazing infinity-edged swimming pool.

Stylish, peaceful and private, Villa Lorea is a luxury villa on Ibiza that offers guests their own little piece of paradise.

Tucked away behind private gates amidst pine and eucalyptus trees, the villa is a true bolthole on this busy island. However, you're only a short distance from the closest beach, shops, restaurants and the island's capital, so you really can enjoy the best of both worlds here.

The property has been built to make the most of the fabulous Ibizan sun... and sunsets. Two chill-out zones have been created specifically for the purpose. Whether you're basking in the sun on the sleek loungers around the pool, or sitting in the shady outdoor eating area, you'll have fabulous views out to the islands of Conillera, S'Espartar and Es Vedra. Sundown drinks are certain to be a regular fixture of your holiday – the sunset is too good to miss here.

Inside the white stucco building, the theme of bright light and cool shade continues. Brilliant white walls bounce light around the room and are the perfect backdrop to the flashes of deep blue sky and sea you'll catch glimpses of as you pass by each window.

The interior has a contemporary, minimalist feel with teak and zebrano woods setting off the white walls and furniture brilliantly. In the living area, the modern concrete floor is softened by a beautiful kilim. Barcelona style chairs and a white sofa are the perfect spot to sit and enjoy the entertainment – flatscreen TV, Blu-Ray player and iPod music system.

An equally minimalist dining room provides an intimate spot for eating on days when you don't want to be outside in the barbecue area. The dining room has stylish 'egg' chairs and a chunky wood table. The kitchen, adjacent to this, is kitted out with top-of-the-range appliances including coffee machine, blender, toaster, juicer and more.

Villa Lorea's four bedrooms are all cool, calm and relaxing, making a good night's sleep a certainty. Spa-style bathrooms are the icing on the cake. Two of the bedrooms are accessed separately, meaning this is a great property for more than one family to share as everyone has their own space.

This luxury Ibizan villa with private pool is an ideal base from which to explore all that the island has to offer and a lovely place to completely relax in when you get back from exploring.
