

Villa Pearl

St. Tropez, France

What we love...

We love the charming terrace, it is the perfect spot for al fresco dining on delicious fresh Provençal cuisine.

Villa Pearl, the sister property to the stunning Chalet Pearl in Courchevel 1850, is in an idyllic position set in beautiful private gardens, yet still close to the beaches and glitz of St. Tropez.

This luxury villa is a charming blue-shuttered Provençal villa with six lovely guest bedrooms, four with en-suite bathrooms. Shaded by olive trees and sweet-scented Mediterranean pines and surrounded by vineyards, the garden makes a tranquil and calming escape from the world.

You really feel like you are in a private and peaceful sanctuary, so you can slow down and unwind.

Take a dip in the sparkling pool to cool down or get stuck into a novel in a quiet shady spot in the garden. Villa Pearl is the place to go to relax.

The expansive terrace makes a lovely setting for al fresco dining or reclining in the warm Provençal sunshine. There is also a sunny upper terrace on the first floor for a bit of extra privacy.

The villa is elegantly furnished in a classic style and provides plenty of space for 12 guests.

Perfect for a family, children will love the separate playroom, which is equipped with a selection of toys and games.
