

Villa Sabinka Mykonos, Greece

What we love...

We love that this luxury villa with pool also has a dedicated kids' pool, so there's plenty of room for everyone to splash in peace.

Part luxe island villa, part spa, Villa Sabinka is as good for the body as it is for the soul. This luxury villa in Mykonos is perfectly placed to soothe away the stresses of everyday life, with the most amazing sunset views out over the pebbly beach and to neighbouring islands.

Indeed, the whole outdoor area is designed to make the very most of this property's spectacular location, surrounded by typically Cycladic stone and with the sea visible from both the main and children's swimming pools and the outdoor Jacuzzi.

There are also two outdoor seating areas – one shaded and one designed for you to soak up the sun – and a lovely alfresco dining area, with seating for 10, from which you can enjoy long, leisurely barbecues

to the soundtrack of the outdoor music system.

Inside, the emphasis on pampering continues, with a gym, massage room and hammam. The interiors are ultra-contemporary and stylish. A palette of minimalist whites and natural materials compliments the 'wellness' aspect of this property perfectly. Light, bright and pared back, all the living spaces are a joy to kick back in, and the cool, relaxing bedrooms are designed to induce sleep. Both indoors and out are thoughtfully lit to highlight every pretty detail in this lovely retreat.

A team of highly experienced, dedicated staff are on hand – you have only to let the villa know beforehand of your needs. From pouring you the perfect sundowner to hiring a jet for you, you can be sure it's taken care of here.

Kids

Children are sure to love this villa, which has two pools – one especially for kids. There’s plenty of outdoor space for them to enjoy, too. If the weather should be less than clement on the odd day, the villa comes equipped with TV/DVD and Blu-Ray player, too.
