

## Villa Salina Corfu, Greece

### What we love...

We love the delightful little private cove, reached by a twisting path from the villa, and complete with its own mooring. Villa Salina has all the hallmarks of a first class secluded luxury villa, occupying, as it does, one of the most prestigious sites in Corfu.

Could this be Paradise? Perched above the sea, amid ancient olive trees, Villa Salina is in one of the most gorgeous and tranquil locations on the Greek island of Corfu. Wake up to the sound of birdsong and the soft warm breeze rustling in the trees. Follow the winding path down to a secluded rocky cove, where sun loungers a shower, toilet and fridge create the ultimate beach hideaway. Perhaps when the sun gets too hot, you might swim out to a luxury yacht, waiting at the cove's private morning, for a leisurely excursion.

If you are feeling jaded and stressed, Villa Salina will cast a soothing spell on you. Just drink in the neoclassical style, the muted tone of decor, and the panoramic vista. Italian marble bathrooms and a fabulous chandelier in the hall help create a calming sense of opulence. Just sink into the warm blanket of cossetting service, provided by the team of villa staff.

Whilst you relax beside the infinity pool with a cocktail, your private chef is preparing a delicious barbecue lunch and the

housekeeper is tidying up. If you want to explore the island, go water-skiing or sailing, just ask your concierge to arrange it. If you would like to eat a favourite meal, just speak to your chef and the menu can be tailored to your wishes. A wide range of extra services from beauty treatments and massages to professional childcare can be arranged on your luxury villa holiday here.

Just two minutes down the road is the pretty fishing village of Agios Stefanos with a lovely sandy beach, and numerous restaurants and bars. But it's good to know that your luxury retreat is waiting for you at the end of the day. Although it's newly built, this luxury villa feels as if it has been here forever, on the craggy hillside looking out over the Ionian Sea. At night time a truly magical quality permeates Villa Salina when the lush gardens are illuminated, and the little path down to the cove is lit up. A midnight swim in your private cove under starry skies is a romantic dream come true.
