What we love...

We love the terrace off the main living rooms, which stretches the width of the villa, and its spectacular views out to sea and over the bay. It even has a telescope for super-yacht-spotting.

Talk about room with a view... so much room, and what a view! From the top floor of this luxury villa in St Tropez you can enjoy spectacular panoramic views of the Gulf of St Tropez and the Bay of Canoubiers. A wonderful terrace, with comfortable seating areas and a telescope, makes the most of this fabulous location, but you'll find it hard to look away, whether you're eating in the welcoming dining area, or sprawled together on the sofas.

The interior of this newly refurbished villa is every bit as lovely as its glamorous location. Simple, sophisticated style paired with beautiful soft furnishings and classic furniture and art pieces. From the beautifully designed dining areas, just made for long, leisurely meals into the evening, to the ultra-

comfortable sofas and generous love seats, where you can relax with a glass of wine in the evening as you watch the colour of the sea change from turquoise to a dark blue and St Tropez's millions of lights twinkle on. As each evening draws to a close, you'll be happy to retreat to your luxury bedrooms, designed with your every comfort in mind, from plasma TVs in each one to spa-style bathrooms in which to pamper yourself and relax.

Step outside and you'll find beautifully landscaped gardens that are a pleasure to wander through, as well as a fabulous salt water pool to float in. And if you fancy some more of the real thing, St Tropez beach is just 1km from your front door.

Eating

A private chef can be arranged for the duration of your stay to keep you and the rest of your party well fed and watered at all times.

Villa Tournesol has a well-equipped kitchen and open-plan dining area, as well as a stunning stone pergola, ideal for alfresco meals while enjoying the view.

St Tropez is just a short stroll away and there you'll find a plethora of fabulous places to dine. Amongst our favourites must be Residence de La Pinede where chef Arnaud Donckele has been three-times Michelin-starred for his wonderful Provencal-inspired food and dishes that are as much a work of art as a meal. Auberge des Maures is also a good find – the oldest restaurant in St Tropez and said to count among its fans David Niven and Charlie Chaplin. For a laid-back lunch, accompanied by some serious relaxation, the Pearl Beach Club in Quartier de la Bouillabaisse is an excellent choice.

If you wish, it is possible to arrange for a shop to be delivered and stocked in the fridge awaiting your arrival.
