

Ferme de mon Grandpère

Meribel, France

What we love...

We love the vaulted-ceilinged games and TV room - perfect for kids and big kids alike.

La Ferme de mon Grandpère is a luxury ski chalet in Meribel that's a stunning combination of old and new. Rough-hewn stone and rustic woods give it traditional Alpine style while contemporary and quirky furnishings bring a character all of its own.

The chalet enjoys a very convenient location, close to the lifts, and just a minutes drive from the centre of Meribel. With 800sqm of living space, there's plenty of room for even a party of 18 guests to socialise together in comfort. The impressive vaulted living room, with fabric and leather sofas and modern

art pieces makes for a cosy spot to gather around the fire with drinks in the early evening.

Down a few steps from here is the spa area. The chalet, with an indoor swimming pool, Jacuzzi, sauna and fitness area, is perfect for pampering and even has a relaxation room where you can enjoy a massage in the privacy of your own chalet to soothe aching muscles after your morning's ski. While you're enjoying some serious R 'n' R, the kids will be kept well entertained in the cinema room or games area.
