

Chalet L'Alpensia

Courchevel 1850, France

What we love...

We love the fabulous ski-in/ski-out convenience of this super-stylish chalet, with the facilities of a 5-star hotel on your doorstep.

There's exclusive...and then there is Chalet L'Alpensia. This luxury ski chalet in Courchevel 1850 is something really special. Part of the L'Apogée hotel, the ski-in/ski-out property has simply stunning views and a really peaceful feel.

Created by two Parisian designers, the interiors, with sumptuous soft furnishings and everything finished to the highest standard, are colourful but ultra-sophisticated. A combination of specially commissioned furniture and eclectic antiques gives it a style all of its own. Spread over four floors, the property offers plenty of space for everyone to relax alone as well as to socialise, and a private lift.

Guests of Chalet L'Alpensia can take advantage of all the facilities at the hotel, including access to the swimming pool, sauna and salt cave, and also the hotel's bars, restaurants and even a cigar lounge.

The chalet itself offers unrivalled luxury. The home cinema area is the perfect place in which to relax in front of an afternoon film. There's also a private spa where you can enjoy a sauna or indoor Jacuzzi, as well as treating yourself to a massage or facial in the privacy of your chalet.

With your own chef and butler on hand to attend to your every need, this glorious chalet brings a little bit of an English manor house to the French Alps.
