

## Apartment 6° Morzine, France

### What we love...

We love the location of this property – it's only 10 minute's walk from the centre of Morzine and just a hop ski and jump from the Pleney gondola.

As contemporary and stylish as it is warm and welcoming, Apartment 6° offers the best of both worlds in so many ways.

This luxury ski chalet in Morzine is very modern, with clean lines, and plenty of light and space, yet it has a traditional style that makes you feel instantly at home.

In terms of location, too, it offers everything. Those who are here primarily for the atmosphere and the après will find themselves around a ten minute walk from Morzine centre with all its boutiques, bars and restaurants, perfect for a glamorous night out or simply a bit of leisurely people-spotting during the day.

Snow bunnies, on the other hand, are also close to all the action and have only to choose whether they ski straight from the door to the Pleney lift in the mornings or take the shuttle to any of the lifts in the resort and from there explore the whole of this wonderful ski area.

You have a dedicated concierge and management staff on hand to help you with anything you need, from ski passes and ski hire to restaurant recommendations, they'll help you arrange everything!

Offered on a self-catered basis, Apartment 6° arrange a delightful welcome pack containing all the 'essentials' such as breakfast and champagne, plus a few basic groceries to get your holiday off to the right start. The chalet management can also arrange for delicious home-cooked meals to be delivered to your door or for a private chef, depending on what you need.

Freedom, flexibility and fun are the watchwords of this delightful chalet. They've provided the stunning location, oh-so snuggly duvets, luxury bath products and bubbly. How you enjoy all that is down to you.

### Kids

This is a great chalet for a family, with all three of the bedrooms able to be configured either as twins or doubles.

The chalet is kitted out with TV with UK Sky and a DVD library as well as games consoles and good old fashioned board games to keep younger visitors entertained.

A boot room and laundry facilities make family life ultra-convenient (no matter how many ski outfits they soak) and the chalet is well located close to the lifts to make getting out in the morning with little ones that bit easier. The front door is just five metres from the snow making it essentially a ski-in/ski-out property.

Your concierge will be able to arrange any ski lessons or childcare you have need of and if you're using a chef, he or she will be happy to arrange dedicated kids' teas for you so that children aren't under pressure to 'perform' at dinner time and the adults can enjoy a more relaxed meal later in the evening.
