

Apartment Basalte Verbier

What we love...

We love the amazing location of this luxury apartment in Verbier, right on top of both the lifts and the centre of town.

A comfy and cosy bolthole right in the heart of Verbier. Apartment Basalte is a luxury self-catered ski chalet that's ideal for a group of friends or family to share.

The apartment's location, right in the centre of town and close to the lifts means you're in the heart of all the action and can be the first to make tracks on the mountains in the mornings. But when you close the door at night you feel like you could be in the middle of nowhere.

The main living spaces are all open plan, allowing everyone to be really sociable. The kitchen, living and dining areas are all light and bright and make a great entertaining space. The dining area seats 10 so there's plenty of room for you all - and even a couple of guests - to sit around and enjoy a leisurely meal.

Nearby, sumptuous and capacious sofas gathered around a roaring fire are just the spot to gather and lounge with a drink or two when you return from the slopes. The living areas are decorated in muted, neutral shades using rustic woods, roughly hewn stone and other natural materials, bringing a really natural, relaxed feel. There's even a small study area, should you need to get a bit of work done, or just wish to escape with a book.

Each of the four luxe bedrooms is designed with your ultimate comfort and cosiness in mind. Super comfy beds and pillows that just beckon sleep make each room a relaxing retreat. When you wake in the morning, feeling completely refreshed, grab your gowns and slippers and head out for coffee on the balcony. There's no better way to start the day.
