

## Apartment Centaurée Val d'Isere, France

### What we love...

We love the indoor spa swimming pool with massage jets and sleek waterfall...

Apartment Centaurée is a bijoux bolthole located in La Legettaz hamlet where you can find privacy on your luxury ski holiday. Wake up in a peaceful retreat with a ski-in/ski-out location so you can be first to the snow in the mornings.

The apartment is self-catering, so would suit a group who enjoy eating out, but it also has a brilliantly appointed kitchen with all the gadgets you could need, so eating in is always a pleasure.

The dining room sits within the open-plan living space - a modern refectory-style table with comfy chairs, where you can gather for meals before retiring to capacious sofas around the fire.

The sitting area is deliciously cosy, surrounded by book shelves and with rustic touches like faux fur

throws to snuggle under and cow hide stools perched nearby. At the end of a long skiing day, it's a lovely spot to get together with friends over a few glasses of bubbly.

But there's plenty of space to find a little me-time, from the peaceful outdoor terraces, perfect for a drink while you admire the view or watch skiers whizz pass, to the home cinema room where you can relax in front of an afternoon film, to the wonderful swim spa, where you'll soothe aching limbs in the massage jets or simply swim beneath the beautiful waterfall.

Each of the bedrooms is designed to be ultra-comfy and cosy to ensure a dreamy night's sleep every night. With the slopes right outside your door you'll want to be well rested ready for more adventures in the morning.

Apartment Centaurée is a luxury self-catering apartment, where you'll feel instantly at home and can enjoy all that Val d'Isere's food scene has to offer.

We particularly love the 2-Michelin-starred L'Atelier Edmond and La Peau de Vache, halfway down the Black Face run. But there are wonderful eateries for all tastes and occasions. You'll be torn between trying something new each night and returning to the same favourites again and again.

Alternatively, for those happy to cater for themselves, the kitchen is well appointed with everything you need to make cooking a pleasure.
