

## B Five 3

Zermatt, Switzerland

### What we love...

We love the views of the iconic Matterhorn from the terrace.

Add a little hygge to your ski holiday with a stay at B Five 3. This Scandi-style apartment in a modern development in the exclusive Petit Village area of Zermatt offers a snowy bolthole that's just a little different to everything else.

The property has everything you'd hope for from a luxury self-catered ski holiday in Zermatt. The open-plan living spaces include a cosy dining area, beautifully lit and capable of seating up to 10 people. In the living space, a huge leather sofa and assorted comfy armchairs give everyone somewhere to collapse after a tiring day on the slopes. A well-equipped kitchen in a palette of dark greys with copper highlights makes for a sleek and stylish spot to prepare your own food or simply gather with a few glasses of wine in the early evening.

The pared-back bedrooms, each in a palette of neutrals, greens and

turquoises, provide a cosy retreat to relax in at the end of each day.

For those who like their holidays as active as possible, the building has a private gym you can use as guests of B Five 3, where you can wear yourself out and get a sweat up on afternoons when you've finished early on the slopes.

This luxury ski chalet in Zermatt also has some stunning outdoor areas, from the beautiful garden to the stunning terraces, with mountain views, where you can while away an afternoon with a glass of something cold and bubbly.

A team of concierge staff ensure everything is just as you like it, but you're never interrupted here. From the moment you set foot through the door this private luxury chalet is all yours. You'll feel right at home in no time.

### Kids

Zermatt is car-free so it's a great base for a family with young children and there's lots to do. The village has several ski schools that cater for all ages and abilities, but if your children don't wish to ski you can also hire sledges and drag them around in the snow to see the sights or try out the ice-skating rinks where you can hire 'penguins' to keep them upright. There are also lots of outdoor play areas to enjoy.

Back in the chalet, the open-plan space leaves plenty of room to play and cots and highchairs are available on request. Nannies and babysitters can also be arranged.
