

Cala 201 Val d'Isere, France

What we love...

We love the convenient location and proximity to the piste with ski-in/ski-out access.

'Contemporary cosy' sums up this luxury ski chalet in a nutshell. Cala 201 is an apartment in a newly renovated building in the exclusive La Legettaz area, within a stone's throw to the Solaise piste and guests can ski to within metres of the building.

You'll be well looked after at Cala 201, with staff always on hand to top up your drink, fluff your pillows and serve canapés to keep you going until dinner. Alternatively, the property can also be offered on a self-catered or bed & breakfast basis, allowing you to set your own schedule and to explore the wonderful restaurants of Val d'Isere.

The apartment sleeps 6 + 4 guests in four uber-comfy bedrooms, each with their own luxury spa-style bathroom, stocked with beautiful bath products and fluffy gowns and slippers, all carefully thought through to make your morning ablutions a pleasure.

On the upper floor is the open-plan living space, flooded with light from the floor-to-ceiling windows overlooking the piste. At one end is the modern refectory-style dining table, the perfect place to sit and enjoy a morning coffee over breakfast as you all plan your day.

At the other end is a huge, relaxing seating area with a circular fireplace and capacious sofas where you can relax, sprawl with the papers, curl up with a book or catch a film together. And just so there are no arguments over who watches what, there's an extra TV snug off the bunk room, too.

In the evenings, head out onto one of the balconies with a glass of something fizzy in your hand to watch the lights twinkling in Val d'Isere and enjoy that fabulous mountain view from your snowy home-from-home.
