

Cala 301 Val d'Isere, France

What we love...

We love the wellness facilities of a sauna and outdoor hot tub offered at this luxury apartment.

Cala 301 is a luxury catered ski apartment, part of a newly renovated complex for the 2019/20 season. With breathtaking views of the surrounding dramatic landscape, this apartment offers the perfect setting for a memorable winter get-away with friends or family.

You'll be well looked after here, with staff always on hand to top up your drink, fluff your pillows and serve canapés to keep you going until dinner. Alternatively, the property can also be offered on a self-catered basis, allowing you to set your own schedule and to explore the wonderful restaurants of Val d'Isere.

The property is located in the exclusive La Legettaz area, perfectly positioned within a stone's throw to the Solaise piste. With ski-in/ski-out access, setting off to explore the superb Tignes/Val d'Isere (formerly Espace Killy) ski area couldn't be more convenient.

The apartment itself exudes contemporary style while maintaining a sense of alpine charm. The living area is flooded with light from the floor-to-ceiling

windows and fabulous mountain views. Decide whether you want to enjoy the view from the comfort of the sofas in front of the wood-burning fireplace, or out on the balcony, up close and personal with the mountain air.

At the other end is the modern dining area, a dreamy space in which you'll enjoy long, leisurely dinners, long into the evening, illuminated by stylish pendant lamps. At the end of the evening, take after-dinner drinks back to the roaring fire or out onto the balconies to watch the stars twinkling over the mountains.

Should you feel the need for a little down-time, either alone or with friends, you can take yourself off for a couple of hours to the sauna and outdoor hot tub, where any aches and pains you've picked up on the slopes will simply melt away.

Then it's off to bed. Each of the luxury en-suite bedrooms is decked out beautifully with luxury linens, robes, hairdryers and anything else you could need to make your own little home from home.
