

## Chalech L Lech, Austria

### What we love...

We love the double-height living space, with huge windows and vaulted ceilings: light and airy in the daytime and magically cosy at night.

Chalech L is one of Lech's exciting new developments, brand new for the 2019/20 winter season.

As cosy as it is contemporary, this luxury ski chalet in Lech is a wonderful bolthole for a group of family or friends. Using traditional materials and craftsmanship, alongside contemporary style and the latest gadgetry, the designers of this beautiful property have created a real gem.

The living and dining area is the perfect place to relax and hunker down after a morning on the slopes. Gather round the statement fireplace for drinks in the evening or just a cup of coffee and a chat as you warm yourselves through from your day's skiing. The living space, with its L-shaped sofa and comfy chairs, offers everyone somewhere to sprawl and nearby, the chic dining area is a dreamy space in which you'll enjoy long, leisurely dinners,

long into the evening, illuminated by creative designer lighting above. After dinner, or post morning coffee, stroll out onto the terrace to enjoy the wonderful view of the village below and breathe in that mountain air.

On lazy afternoons, after skiing, make the most of the shared spa with pool and gym, or retreat to your own sauna, just off the master bedroom, to soothe away any aches and pains picked up on the slopes. Or simply enjoy the stylish living spaces and relax with a good book or a film and a glass of something bubbly.

Once your lavish evening meal is over, and digestifs have been enjoyed, retreat to comfy beds, fluffy gowns and cosy slippers. Rest and relaxation is taken as seriously here as thrills and spills. And so it should be.
