

## Chalet 47 St. Anton, Austria

### What we love...

We love the private modern spa and training rooms, allowing guests to relax in a traditional sauna, a relaxing steam room or ease your muscles in the indoor Jacuzzi...

Traditional styling is given a modern update in this luxury ski chalet in St Anton. Recently renovated using rustic woods and stone, the property has an 'Alpine Lodge' style that gives it character and warmth but the fixtures and fittings are all uber modern, making every moment here completely stress free. Meals are served in a traditional 'stuberl' or parlour, and your staff are always on hand to top up drinks and ensure everything is just as it should be.

This luxury chalet is only around 350 metres from the Nasserein ski lifts, and with an in-resort driver service to shuttle at your beck and call, logistics are easy.

It's clear that endless thought has gone into ensuring that when you return from your day skiing the

slopes of St. Anton, everything you could want is on tap. Enjoy the sauna and steam room to warm your weary bones through or grab an après-ski drink from the open bar.

Then there are numerous spots around the chalet to curl up with a book, listen to music or simply flop in front of Netflix in the separate TV/cinema room.

Chalet 47 offers the perfect accommodation for corporate get-a-ways, large family gatherings and winter celebrations.

Everything you could wish for is here and at your fingertips. All you need to do is choose who you're bringing to your magical hideaway in the snow!

### Eating

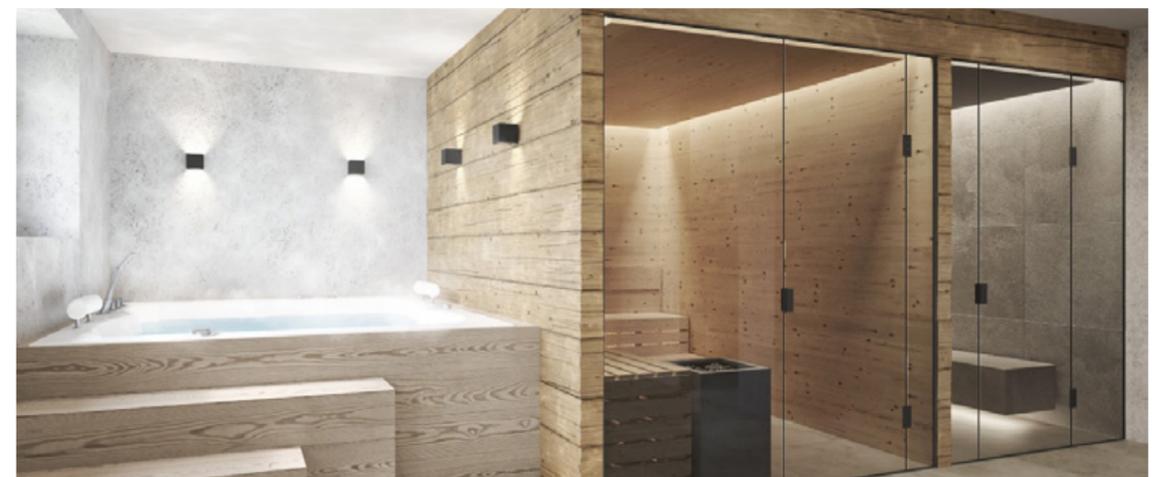

Your gourmet experience begins before you even arrive. A pre-arrival menu consultation can be arranged to ensure all meals served take into account your preferences and dietary requirements.

Breakfast is served each morning and when you return from the slopes a delicious afternoon tea with sweet and savoury treats is ready and waiting for you.

On five nights of seven, pre-dinner canapés are served while your chef prepares a gourmet four-course meal, served with carefully selected house wines. There's also an a la carte wine list if you prefer, and a complimentary bar serves beer, wine, Champagne, spirits and soft drinks throughout your stay.

Your chef will be happy to arrange early children's tea so little ones can be in bed in good time and grown-ups can enjoy their evening at their leisure. Take-away packed lunches are also available for under-12s who are off to ski school or anywhere else during the day, so you never have to worry about getting them fed when you're out on the snow.

You'll have two evenings a week to sample the local restaurants of St Anton and your chalet hosts will be more than happy to make recommendations and bookings.
