### What we love...

We love the amount of space at this luxury ski chalet, combining three separate properties there are multiple hot tubs, saunas and cinema rooms to enjoy.

Combining three luxury ski chalets, Amazonia is perfect for large parties of friends, family or corporate groups and a beautiful setting for events such as birthdays and weddings. All three chalets (Chalet Amazon Creek, Chalet Baloo and Chalet Baby Bear) are located within just a few steps of each other, nestled amongst beautiful alpine woodland giving a sense of peace and privacy.

The living areas are vast and are characterised by chunky wood beams, leather armchairs and high ceilings, offering the perfect blend of rustic and contemporary styling and ideal for social gatherings with friends and family.

## Eating

A chef will be on hand to prepare delicious breakfasts, afternoon tea with homemade cakes daily as well as gourmet dinners on five evenings a week.

While you're enjoying a glass of Champagne on the balcony (or maybe in the hot tub), your chef will be working away in the professional kitchen next door, crafting a 5-star feast for the evening. This can be completely tailored to your party, in whatever way you wish. Feel free to explore the wine cellar too, to choose a tippie to suit.

All of the evening meals are accompanied with specially selected house wines. Guests can also select à la carte wines, should they wish to try something special.

Alternatively, Chalet Amazonia can be offered on a self-catered basis, allowing you to set your own schedule and to explore the wonderful restaurants of Chamonix.
