

## Chalet Anna Megeve, France

### What we love...

We love the outdoor hot tub and the incredible views of the surrounding snow-capped peaks.

Created by the dextrous hands of French carpenters and stone masons, this luxury ski-in/ski-out chalet boasts a style of Alpine living few of its peers can compete with.

Accommodating eight adults and four children across its six stunning bedrooms, this chocolate box delight is the perfect mountain retreat for your friends and family.

The sensational split level entrance hall with its high ceilings and comely craftsmanship greets you upon arrival and delivers you to each corner of your home from home. The windy wooden staircase takes you up through the curiously cavernous interior embellished with ancient ski equipment, hunting trophies, traditional haberdashery and soft, gentle lighting. This picture perfect postcard of a property opens its arms to all with its warmth and charm.

The bedrooms with exquisite ancient woodwork and vaulted ceilings are garnished with faux fur throws, skins and rugs adding that touch of Alpine class you've been dreaming

of all year. Accompanied by cleverly designed en-suite bathrooms tucked in the eaves, you'll be snug as the proverbial bug.

Open plan mountain living is epitomised at Chalet Anna. The kitchen was created using traditional timber and stone and opens up onto the dining area and lavish lounge behind. With its gorgeous open log fire splashing colour and warmth throughout the room, it's the perfect place to unwind and share tales of adventures on the mountain. All washed down with a local glass of wine and an aperitif brought to you by one of your lovely hosts, you'll sink deep into the sofas and let the worries of the world disappear to the sound of crackling lumber.

Outside on the terrace, the sunken hot tub will also be a favourite spot for that après ski tippie. Watch the sun set over the snowscape, gaze up at the moon and stars or in the stillness of the evening as fresh snow floats down from the heavens. Is there any part of a luxury ski holiday better than that?

## Kids

Children are made very welcome at this cosy luxury ski chalet and it is well designed to accommodate families.

Your chef will be happy to lay on an early kids' tea to appeal to younger palates. After dinner, the separate TV snug provides a great place for children to disappear to and catch a movie while the grown-ups enjoy a quiet catch-up over drinks in the evening.

The two children's bedrooms haven't been overlooked at Chalet Anna. Some very clever carpentry has made some wicked wooden dens the little ones won't want to leave.
